

Uneeda Enterprizes, Inc.

RKXO

A product suited for heavy duty sanding.

RKXO is a poly-cotton blend abrasive product. Coarser grits are best suited for stock removal and the finer grits are ideal for finishing of raw wood while providing an excellent finish.

Why Uneeda? With over 100 years of combined expertise in the abrasive industry and our complete dedication to technical support, we are sure you will be delighted with our materials, superior customer service and prompt deliveries.
