White Uneesponge

New
Product

- **Minimal Grain Shed**
- **Washable and Reusable**
- **Wet and Dry Applications**
- **Extremely Flexible**

Uneeda's white abrasive sponge is the newest addition to our Uneesponge line. Uneeda's White Uneesponge is longer lasting and offers a superior quality finish for all sanding applications. Our white uneesponges shed less grain than other abrasive sponges. They are extremely comfortable to use due to their flexible and conformable nature. For more information, please contact your local sales representative or call UEI customer service.

Why Uneeda? With over 100 years of combined expertise in the abrasive industry and our complete dedication to technical support, we are sure you will be delighted with our products, superior customer service and prompt deliveries.
